

The Phoenix RxAdvantage Prescription Savings Card

This is not an insurance card. It is a discount resource that keeps out-of-pocket expenses low. The card is available to anyone and works for your whole family. Just print it out and present it to the pharmacist when you pick up your prescription.

The Phoenix RxAdvantage Card is a **FREE** and **EASY** way to **SAVE MONEY** on prescriptions.

PHARMACISTS: This is a **FREE** program to our cardholders. Please process their prescription using the above BIN/PCN/Group information. The user identification number should be the cardholders 10-digit phone number. If you have questions processing this claim, please don't hesitate to call our **Pharmacy Help line: 888-532-3299**. Thank you for taking the time to provide these customers with savings on their prescription medications.

CARDHOLDER: Present this card/page to your pharmacist either when you drop off or pick up your prescription to receive a discount off the retail price of the medication. If you have questions concerning your card, please call our **Customer Help Desk line: 888-532-3299**.

The Phoenix Pharmacy Network Offers National Coverage and Reliability

With more than 60,000 participating pharmacies, the Phoenix Pharmacy Network includes every major pharmacy chain, as well as most regional chains and independent pharmacies. That means you can assure your clients have freedom of choice, enhanced discounts, and convenient access to the care and affordable solutions they need.
